An efficient technique for determining a value is to send out a survey to your present customers. If these prospects have already purchased an e book from you, ask for their opinion by way of price. Do that by creating a sales page for the new e book, but don't embrace a value on that page. every page, and consists of your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and gross sales of your book. This may inform you what your optimum worth is.
