Do that by making a sales page for the brand new e book, however don't embrace a worth on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with different prices on each page. Make certain your sales copy is exactly the similar on each page, and

contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum price is.

Finally, for those who've written a e book that solves a problem or presents a brand new technique, your guide will herald both visitors and profits.
