If these customers have already purchased an e-book from you, ask for their opinion in terms of price. Do that by making a sales web page for the brand new e-book, however don't include a value on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by creating a number of duplicate sales pages with totally different prices on each page. Be sure that your gross sales copy is exactly the same on every page,

and includes your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum value is.

Ultimately, when you've written a e book that solves a problem or presents a brand new method, your guide will usher in each traffic and profits.
