Do that by creating a sales web page for the brand new guide, however don't include a worth on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with totally different costs on every page. Make sure that your sales copy is precisely the identical on

each page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum value is.

Ultimately, for those who've written a guide that solves a problem or presents a new technique, your book will herald each visitors and profits.
