An effective technique for figuring out a value is to ship out a survey to your present customers. If these clients have already bought an ebook from you, ask for his or her opinion when it comes to price. Do this by making a sales page for the brand new e book, but don't embrace a worth on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with totally different prices on every page. Be certain that your sales copy is exactly the similar on each web

page, and includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. This can tell you what your optimum price is.

In the end, for those who've written a guide that solves a drawback or presents a new method, your e-book will usher in each site visitors and profits.
