One other strategy is to test out costs by making a variety of duplicate sales pages with completely different prices on each page. Be certain that your gross sales copy is precisely the same on every

page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and sales of your book. This can let you know what your optimum price is.

Finally, when you've written a e-book that solves a downside or presents a brand new technique, your e-book will herald each site visitors and profits.
