An effective approach for figuring out a worth is to send out a survey to your current customers. If these clients have already purchased an e-book from you, ask for their opinion by way of price. Do this by making a sales web page for the new guide, but do not include a worth on that page. Instead, add a variety of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with completely different costs on every page. Ensure your sales copy is exactly the identical on every

web page, and consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This will inform you what your optimum value is.

Finally, for those who've written a book that solves a drawback or presents a brand new technique, your e-book will usher in both site visitors and profits.
