Do this by making a sales page for the brand new guide, however don't embody a worth on that page. As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by creating a number of duplicate sales pages with totally different costs on each page. Be certain that your gross sales copy is precisely the same on

every page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your site and sales of your book. This may let you know what your optimum price is.

Finally, if you happen to've written a guide that solves a drawback or presents a brand new approach, your e book will bring in both traffic and profits.
