Do that by creating a gross sales page for the new book, however do not embrace a price on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out prices by making a variety of duplicate gross sales pages with different prices on every page. Ensure your gross sales copy is precisely the similar on every web

page, and contains your selling-handle sentence. Then determine for every page the conversion ratio between guests to your web site and sales of your book. This may let you know what your optimum price is.

In the end, if you happen to've written a e book that solves a downside or presents a new approach, your book will bring in each visitors and profits.
