price. Do that by creating a gross sales web page for the new guide, but do not embrace a worth on that page. Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with totally different prices on every page. Be certain your sales copy is strictly the similar on every web page, and contains your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum value is.

Finally, if you've written a e book that solves a downside or presents a brand new method, your e-book will usher in both visitors and profits. So be sure to write that selling-handle sentence that sums up what problem your e-book solves and what the benefits of your 1775 guide shall be to the purchasers who buy it.
