If these customers have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by creating a sales web page for the brand new e book, but do not include a worth on that page. As an alternative, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with different costs on every page. Be certain your sales copy is strictly the similar on each page, and consists of your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum price is.

In the end, when you've written a guide that solves a problem or presents a brand new method, your ebook will usher in both traffic and profits.
