price. Do that by making a sales web page for the new book, however don't embrace a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out costs by making a variety of duplicate sales pages with totally different costs on each page. Ensure your gross sales copy is precisely the identical on every page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum price is.

In the end, if you happen to've written a guide that solves a drawback or presents a new method, your e book will usher in each traffic and profits.
