to price. Do that by making a gross sales page for the new e book, but don't include a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with totally different prices on every page. Make sure your gross sales copy is strictly the similar on every page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum price is.

Finally, in the event you've written a guide that solves a downside or presents a brand new technique, your book will usher in both visitors and profits.
