Do that by making a gross sales page for the new guide, however don't embody a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with completely different costs on every page. Ensure that your sales copy is precisely the similar on every page,

and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum value is.

In the end, in the event you've written a book that solves a drawback or presents a brand new technique, your ebook will herald each visitors and profits.
