One other strategy is to test out prices by making a number of duplicate sales pages with completely different prices on each page. Be sure your gross sales copy is precisely the identical on each

page, and consists of your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum worth is.

Finally, if you happen to've written a e-book that solves a problem or presents a new technique, your guide will bring in both traffic and profits.
