price. Do that by creating a sales web page for the brand new guide, but do not include a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with different costs on each page. Make certain your sales copy is strictly the similar on every web page, and consists of your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum worth is.
