promotional material, and each time anyone asks you about your ebook.

An efficient technique for figuring out a worth is to send out a survey to your current customers. If these clients have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by making a sales page for the brand new e book, however do not embody a value on that page. As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with different costs on every page. Make certain your gross sales copy is exactly the similar on every page, and contains your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum price is.

Finally, if you've written a ebook that solves a problem or presents a new technique, your e book will bring in both visitors and profits. So make sure to write that promoting-deal with sentence that sums up what downside your e-book solves and what the benefits of your 2140 book shall be to the customers who purchase it.
