As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Be sure your sales copy is exactly the same on each web

page, and consists of your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum price is.

In the end, when you've written a ebook that solves a drawback or presents a brand new technique, your e book will bring in both site visitors and profits.
