As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with different prices on each page. Be certain that your sales copy is exactly the same on each web page, and

consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This will inform you what your optimum value is.

Finally, for those who've written a guide that solves a problem or presents a brand new method, your book will herald each site visitors and profits.
