Do this by making a gross sales web page for the new ebook, however do not embody a price on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out costs by making a number of duplicate sales pages with different

prices on each page. Be certain your gross sales copy is exactly the similar on each web page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. This may inform you what your optimum price is.

Finally, in case you've written a book that solves a drawback or presents a brand new approach, your e-book will herald each traffic and profits.
