Do that by making a gross sales page for the brand new e book, however don't embrace a price on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with different prices on each page. Be sure that your gross sales copy is exactly the same on every web

page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum worth is.

In the end, should you've written a guide that solves a problem or presents a new method, your e-book will herald each site visitors and profits. So make sure to write that selling-deal with sentence that sums up what drawback your book solves and what the advantages of your 2243 guide will be to the customers who purchase it.
