An efficient technique for figuring out a value is to ship out a survey to your present customers. If these customers have already bought an e-book from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the new e-book, but don't embody a value on that

page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with totally different prices on each page. Be certain your sales copy is precisely the identical on each page, and includes your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. This may let you know what your optimum worth is.

Ultimately, in case you've written a ebook that solves a drawback or presents a brand new technique, your e book will usher in each site visitors and profits.
