## Marketing Methods

The important thing that unlocks the gross sales potential of your e-book is to find a single sentence that becomes your selling handle. This sentence states what question or problem your book solutions and the benefits your e book can provide. Then you'll want to use that sentence in each

piece of sales and promotional material, and every time anyone asks you about your ebook.

Besides promoting your books assiduously on-line, there are several different strategies that can make it easier to promote extra books.

One is to present one thing away without spending a dime with your book, reminiscent of a helpful bonus item. Or bundle a number of ebooks under one price, which lowers the value for every book if they were sold separately.

An effective method for figuring out a worth is to send out a survey to your current customers. If these clients have already purchased an e-book from you, ask for his or her opinion by way of price. Do that by creating a gross sales web page for the brand new e book, but do not include a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with completely different prices on each page. Make sure that your sales copy is exactly the same on each page, and contains your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum price is.

Finally, in the event you've written a guide that solves a drawback or presents a brand new method, your ebook will usher in each site visitors and profits.
