Do that by creating a sales web page for the brand new book, however don't embody a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out costs by creating a number of duplicate sales pages with completely different prices on each page. Ensure that your sales copy is exactly the identical on

every page, and includes your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum worth is.
