Do this by creating a gross sales web page for the brand new ebook, however do not embrace a worth on that page. As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Make certain your sales copy is precisely the identical on

every page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum price is.

Finally, in case you've written a book that solves a problem or presents a new approach, your ebook will usher in both site visitors and profits.
