An efficient approach for figuring out a worth is to send out a survey to your current customers. If these prospects have already bought an e-book from you, ask for his or her opinion by way of price.

Do this by making a sales web page for the new book, but don't embrace a price on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out costs by creating a number of duplicate gross sales pages with totally different costs on each page. Ensure that your gross sales copy is precisely the similar on every page, and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum value is.

Ultimately, should you've written a ebook that solves a drawback or presents a brand new approach, your e-book will usher in each traffic and profits.
