that page. As an alternative, add numerous links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with completely different costs on every page. Ensure that your gross sales copy is exactly the identical on each page, and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum value is.

Finally, if you happen to've written a guide that solves a downside or presents a new technique, your e book will usher in both visitors and profits.
