As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by making a variety of duplicate sales pages with different prices on each page. Make sure your sales copy is strictly the identical on every web

page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum worth is.

Finally, when you've written a e-book that solves a problem or presents a brand new method, your guide will usher in each traffic and profits.
