price. Do that by making a gross sales page for the new guide, however do not include a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Ensure that your sales copy is precisely the identical on each page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. This will tell you what your optimum worth is.

Finally, in the event you've written a e-book that solves a downside or presents a new method, your book will herald both traffic and profits.
