Do that by creating a gross sales web page for the new ebook, but do not include a price on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with completely different costs on each page. Be certain that your sales copy is strictly the similar on

each web page, and includes your selling-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum price is.

Ultimately, in the event you've written a e book that solves a problem or presents a brand new approach, your guide will bring in each traffic and profits. So remember to write that promoting-deal with sentence that sums up what downside your guide solves and what the benefits of your 290 book will likely be to the shoppers who buy it.
