Do that by making a gross sales page for the brand new ebook, but do not embody a worth on that page. As an alternative, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with totally different prices on every page. Make sure that your gross sales copy is precisely the

similar on every page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum worth is.

Ultimately, should you've written a e book that solves a problem or presents a brand new method, your book will bring in both traffic and profits. So be sure you write that selling-deal with sentence that sums up what downside your guide solves and what the benefits of your 375 ebook shall be to the purchasers who purchase it.
