An effective approach for determining a value is to send out a survey to your current customers. If these prospects have already purchased an e book from you, ask for their opinion by way of price. Do that by making a sales page for the new guide, but do not embody a value on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate sales pages with totally different prices on every page. Be sure that your gross sales copy is exactly the similar on every web page, and contains your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum value is.

Ultimately, for those who've written a book that solves a drawback or presents a brand new approach, your book will bring in each traffic and profits. So remember to write that promoting-deal with sentence that sums up what drawback your ebook solves and what the advantages of your 409 e book might be to the customers who purchase it.
