## Advertising Strategies

The key that unlocks the sales potential of your e-book is to discover a single sentence that becomes your selling handle. Besides promoting your books assiduously online, there are a number of different strategies that may show you how to promote extra books.

One is to present something away at no cost along with your ebook, similar to a helpful bonus item. Or bundle several ebooks under one value, which lowers the price for every book if they were sold separately.

An effective technique for determining a value is to ship out a survey to your current customers. If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by making a gross sales web page for the brand new guide, however do not include a price on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Make sure that your sales copy is exactly the identical on each page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum price is.

Finally, when you've written a book that solves a problem or presents a new technique, your e-book

will usher in both traffic and profits. So be sure you write that promoting-deal with sentence that sums up what downside your ebook solves and what the benefits of your 44 e-book will likely be to the purchasers who purchase it. And then watch your market come to you!
