An efficient method for determining a worth is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion by way of price. Do that by making a gross sales web page for the new e-book, however don't embody a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by making a variety of duplicate sales pages with totally different prices on every page. Ensure that your sales copy is strictly the same on each page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This will tell you what your optimum value is.

Finally, if you happen to've written a book that solves a problem or presents a brand new method, your e book will usher in both traffic and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your e-book solves and what the advantages of your 453 e book will probably be to the customers who purchase it.
