The important thing that unlocks the sales potential of your ebook is to discover a single sentence that becomes your selling handle. and promotional material, and every time anybody asks you about your ebook.

One is to offer one thing away for free with your e book, such as a useful bonus item. Or bundle several ebooks under one value, which lowers the value for every e-book in the event that they were sold separately.

An effective method for figuring out a price is to send out a survey to your current customers. If these customers have already purchased an e book from you, ask for their opinion in terms of price. Do this by making a sales page for the brand new ebook, however don't embrace a price on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out prices by creating a number of duplicate gross sales pages with different costs on each page. Be sure that your gross sales copy is exactly the identical on every page, and includes your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum worth is.

In the end, when you've written a e book that solves a drawback or presents a new approach, your guide will herald both site visitors and profits.
