If these clients have already purchased an book from you, ask for his or her opinion in terms of price. Do this by making a sales web page for the new guide, however do not embody a worth on that page. Instead, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by creating a number of duplicate sales pages with totally different prices on every page. Ensure your sales copy is precisely the same on each web page, and

contains your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This can tell you what your optimum price is.

Finally, if you happen to've written a guide that solves a drawback or presents a new technique, your e book will usher in each site visitors and profits. So make sure to write that promoting-handle sentence that sums up what problem your e-book solves and what the benefits of your 467 e book will probably be to the purchasers who buy it.
