to price. Do this by creating a sales page for the brand new e-book, however don't embrace a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with different costs on each page. Ensure that your sales copy is precisely the same on every web page, and includes your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and sales of your book. This will tell you what your optimum value is.

In the end, in the event you've written a e-book that solves a problem or presents a brand new approach, your book will herald both visitors and profits.
