If these customers have already purchased an ebook from you, ask for their opinion when it comes to price. Do that by creating a gross sales page for the brand new e book, but don't embrace a value on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with totally different costs on each page. Be sure that your gross sales copy is exactly the similar on

each web page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum value is.
