price. Do this by creating a sales page for the new e book, but don't embody a value on that page. Instead, add a number of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by creating a number of duplicate sales pages with completely different costs on every page. Make certain your sales copy is exactly the same on every page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum value is.

Finally, should you've written a guide that solves a downside or presents a brand new method, your guide will bring in each traffic and profits. So be sure to write that promoting-deal with sentence that sums up what drawback your ebook solves and what the advantages of your 519 e book will probably be to the shoppers who buy it.
