An efficient approach for determining a value is to send out a survey to your current customers. If these prospects have already bought an e book from you, ask for their opinion by way of price. Do this by making a gross sales web page for the brand new guide, but don't embody a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out costs by making a number of duplicate sales pages with totally different prices on each page. Be certain your sales copy is exactly the similar on every page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum value is.

Ultimately, when you've written a e-book that solves a drawback or presents a brand new technique, your e-book will usher in each traffic and profits.
