An efficient technique for figuring out a worth is to send out a survey to your current customers. If these clients have already bought an book from you, ask for his or her opinion by way of price. Do that by making a gross sales web page for the new e book, however don't embody a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with different costs on each page. Be sure that your gross sales copy is exactly the similar on each page, and consists of your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum worth is.

In the end, should you've written a ebook that solves a problem or presents a new approach, your e-book will bring in each visitors and profits.
