Start at the highest price the market will bear to bring in the largest profits, and plan to low cost the guide a number of occasions all through the year.

Do that by making a sales web page for the new e book, however do not embrace a value on that page. Instead, add quite a few links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with totally different costs on each page. Be sure your gross sales copy is exactly the same on every page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum value is.
