Do this by creating a sales page for the brand new ebook, however do not include a price on that page. Instead, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by making a number of duplicate sales pages with totally different costs on every page. Be sure that your gross sales copy is strictly the identical on each

page, and contains your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum value is.

Ultimately, when you've written a e-book that solves a downside or presents a new approach, your e-book will usher in both visitors and profits.
