This sentence states what question or downside your e-book solutions and the benefits your ebook can provide. Then you'll want to use that sentence in each piece of sales and promotional materials, and every time anybody asks you about your ebook.

Besides selling your books assiduously on-line, there are a number of other methods that may help you promote extra books.

One is to present one thing away at no cost together with your e book, resembling a valuable bonus item. Or bundle several ebooks under one price, which lowers the price for every ebook if they have been offered separately.

An effective method for figuring out a value is to ship out a survey to your present customers. If these clients have already purchased an e book from you, ask for their opinion by way of price. Do that by making a gross sales page for the new guide, but do not embrace a worth on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with completely different costs on each page. Make certain your gross sales copy is exactly the identical

on each web page, and includes your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. This can inform you what your optimum price is.

In the end, when you've written a book that solves a downside or presents a brand new approach, your guide will bring in both site visitors and profits. So be sure you write that promoting-handle sentence that sums up what drawback your e-book solves and what the benefits of your 897 e-book will probably be to the shoppers who purchase it.
