An effective approach for figuring out a price is to ship out a survey to your present customers. If these clients have already purchased an book from you, ask for his or her opinion in terms of price. Do that by creating a sales page for the brand new ebook, but do not include a value on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

identical on every page, and consists of your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum price is.
